_____

Career Objective

As a B.Tech student specializing in Computer Science Engineering, I aim to contribute to innovative projects in web development, data analytics, and machine learning. My objective is to utilize my programming knowledge and problem-solving skills to contribute effectively to a dynamic team and grow professionally.

Career Summary

- Currently pursuing B.Tech in Computer Science Engineering (2022-2026) from Sridevi Women's Engineering College with a CGPA of 7.79.
- Worked on building an e-commerce website and currently involved in developing a price prediction model for electric vehicles using machine learning techniques.
- Completed the **Summer of AI internship** by Swecha, attended a bootcamp, and led a team of 25 members as team lead.
- Completed a **web development internship** at InternPE for one month, developing projects using HTML, CSS, and JavaScript.
- Proficient in programming languages such as C, Python, HTML, CSS, and JavaScript, along with basic SQL.
- Experienced with tools like MS Excel and PowerBI, and actively solving coding challenges on platforms like HackerRank (solved 10+ problems).

Project Experience

1**. E-commerce Website**: Developed a dynamic, user-friendly e-commerce website using HTML, CSS, and JavaScript, focusing on user interface and experience.
2. **Electric Vehicles Price Prediction**: Currently working on a machine learning project to predict electric vehicle prices, leveraging Python and data analytics techniques.

Computer Skills

• Programming Languages: C, Python, HTML, CSS, JavaScript, SQL (basic).
• Tools: MS Excel, PowerBI.

Educational Qualifications

• B.Tech in Computer Science Engineering
  Sridevi Women's Engineering College (2022-2026)
  CGPA: 7.79

• Intermediate (MPC)
  Sri Chaithya Jr. Kalasala, Habsiguda
  Marks: 874

• S.S.C.
  Srisai Vidyanikeythan School, Mallapur
  Marks: 100%

Certifications

• Completed a course on **Python** by Cisco Networking Academy.
• Completed a **Data Analytics Job Simulation** by Accenture through Forge.

Achievements

• Solved over 10+problems on HackerRank.
• Successfully coordinated an event at CodeCrunch, the college tech-fest.

Extracurricular Activities

• Coordinated CodeCrunch, the college's tech-fest.
• Participated in coding competitions and technical BootCamps.

Personal Details

• Date of Birth: 03-04-2005
• Languages Known: Telugu, English, Hindi (basic)
• Hobbies: Coding, exploring Net, reading tech blogs,ArtCrafts
